

Solar PV Schematic Wiring Diagram

Safe Shut Down Sequence

- 1) Rotate **PV AC Isolator** to **OFF Position**.
- 2) Rotate **AC Battery Isolator** to **OFF Position**.
- 3) Turn **RCBO** (inside the Consumer Unit)to **OFF Position**.

Safe Turn On Sequence

- 1) Turn **RCBO** (inside the Consumer Unit)to **ON Position**.
- 2) Rotate the **PV AC Isolator** to **ON Position**.
- 3) Rotate the **AC Battery Isolator** to **ON Position**.
